G 4

One thing I wish will come true.  
I wish I will be in the U.S. Army it will be fun. It will  
change my life come great life. I think it will be ok  
to do I will have a lot of fun. I will change my life  
because I want like it. It will change my mom, dad life  
too. It will be fun to do. I think I will go to  
it. I will go to war. It will be fun to do.  
I will go to the Army. I will do it while I grow  
up. It will be fun to do. I think. But the time is over  
I got far thinking. It will be fun to do. I will do it while  
I grow up. I think it is a good idea. I think it  
will change life if I'll go. But I will go. I will do it while  
I grow up. It will be fun to do. I will be ok if I  
do it. I will do it. I'll do it while I grow up. I  
think it is a good idea. I will be ok doing it. I will  
grow up. I'll go to war. It is ok to do.  
I'll think about doing it. I want to meet someone  
that is in the U.S.A. I want to meet the  
President.

Score Point: 2

This response is considered flawed. A low degree of proficiency is reflected. The writer states a special wish (to be in the U. S. Army) and provides a few reasons to explain why this wish should come true (it will be fun to do and it will change my life). However, the writing is extremely repetitive and marred by numerous writing errors. The response lacks organization, and there is little development.
